

Activity Objectives

SWOG meets semi-annually to keep its members abreast of Group science. The target audience for these meetings are Physicians, Nurse Oncologists and Clinical Research Associates.

The educational objectives of these meetings are: to educate attendees about active and proposed studies so that they may implement the studies at their local institutions; to educate attendees about new treatments and prevention strategies that are available; to identify areas that can be improved in cancer research and study implementation and educate attendees on the best ways to implement the solutions at the local level.

These objectives apply to the following areas: Cancer Control and Prevention, including Outcomes and Comparative Effectiveness, Symptom Control and Quality of Life Committee, Prevention Committee, Molecular Epidemiology Committee, Cancer Survivorship Committee and Harry Hynes Symposium; Genitourinary Committee; Early Therapeutics Committee; Barlogie-Salmon Myeloma Committee; Melanoma Committee; Surgery Committee; Radiation Therapy Committee; Plenary Session; Leukemia Committee; Breast Committee; Gastrointestinal Committee; Lung Committee and Lymphoma Committee.
