

Instructions for adding your contact information to the flyer for:

Prospective Comparative Effectiveness Trial for Malignant Bowel Obstruction is a study for patients with intra-abdominal cancer with clinical evidence of bowel obstruction (S1316).

1. Open the flyer in Adobe Reader.
2. Click on any of the boxes between the dotted lines at the bottom of the flyer under the text, "For more information about S1202, please take a tab below:"
3. Enter your contact information into one of the boxes.
4. Click anywhere else in the document or hit the "Tab" key on your keyboard and any text you type into one of the boxes will automatically copy to the other boxes.
5. Adobe Reader will allow you save the contact information to the brochure. Use the "File>Save As" command to save the contact information in the brochure.
6. To print the brochure, click on the printer icon in the toolbar or choose the "File>Print" command.
