This will be an informative symposium you won't want to miss! All disciplines invited!

The **Nicholas J. Vogelzang, MD, GU Symposium** honors the many valuable contributions Dr. Vogelzang made in support of his colleagues and patients throughout his career within SWOG's research network. Vogelzang Symposia are held at SWOG group meetings to provide members with the latest and best resources for extending and improving the lives of those impacted by genitourinary cancers.
