

What's New

- Electronic Medical Records (EMR) templates are now being created for new NCTN studies.
- New document types are available in the Source Document Portal (SDP).
- You can view individuals with a withdrawn status at your site and an ! mark appears next to the name of a person in danger of automatic withdraw in the Roster Update Management System (RUMS).
- NCORPs can link patients to non-patients within their NCORP in the Oncology Patient Enrollment Network (OPEN).
- The modernized Delegation of Tasks Log (DTL) is slated for release in early 2024. The updated screens will feature a new landing page.

Resources on the CTSU Website

1. Getting Started with the CTSU
2. New Staff Training
3. IROC: Provider /Site Fact Sheet
4. CTSU FAQs
5. Glossary and Acronyms
6. CTEP IAM User Access Update

The screenshot shows the CTSU website dashboard. At the top, there is a navigation bar with 'My Account' (6), a red alert banner for 'User Access Update: CTEP-IAM & ID.me', and a welcome message for Megan K. Blackburn. Below the navigation bar is a 'Resources Browser' sidebar on the left and a main content area on the right. The sidebar contains a search bar and a tree view of resources. The main content area displays a list of documents under the heading 'General Procedures & Training > Basic Processes'. Callouts 1-6 are placed as follows: 1 points to the 'Getting Started with the CTSU' document; 2 points to the 'Site Staff Orientation Slides' section; 3 points to the 'General Procedures & Training' folder; 4 points to the 'Frequently Asked Questions (FAQs)' folder; 5 points to the 'Glossary and Acronyms' folder; and 6 points to the 'My Account' link in the top navigation bar.
